EXPERIENCES

Google — Software Engineer

MAR 2016 - PRESENT | MOUNTAIN VIEW, CA

Worked on [Google+ Android](#) client for 1.5 years from March 2016 to October 2017. During which I was responsible for rewriting features such as Polls, Accessibility, Menu Items, Search History and Search Autocomplete.

Starting from November 2017, I worked on [Android Auto](#) Embedded team and was responsible for the development of System UI features including dialogs, app launcher, and notifications.

Bentley Systems — Software Engineer Internship

JUN 2015 - AUG 2015 | PITTSBURGH, PA

Rewrote the entire user module of the InspectTech product from SOAP to REST while maintaining the same existing functionalities. In addition to that, I also implemented administrative functions, a new map tool, and resolved several issues. Full internship summary: <http://goo.gl/NHucGt>

University of Pittsburgh — Teaching Assistant

AUG 2013 - JUL 2015 | PITTSBURGH, PA

Led recitations, hosted office hours, graded homework/quizzes/midterms for CS1520 Programming Languages for Web Applications, CS 0007 Intermediate Programming, and CS 1550 Introduction to Operating Systems (for 2 semesters).
